The Faculty of Architecture and Landscape of Leibniz University Hannover declares to highly support the candidacy of Prof. Jörg Schröder, Dean for Research, for the elections to the EAAE Council. We confirm that he can rely on the resources for attendance at council meetings, conferences, and all duties as in article 27 of the EAAE statute. The Faculty, within the German TU9 Polytechnic Universities, is highly interested to contribute to EAAE's activities in enhancing architectural education, research, and networking in Europe.
